To The Honorable James R. Thompson, Governor and The Honorable Members of the Illinois General Assembly

I am pleased to present the report of the Office of Commissioner of Banks and Trust Companies for calendar year 1985.

Data from state chartered banks, the trust departments thereof, independent trust companies, and foreign banking offices continued to demonstrate strong, dynamic growth in financial services for Illinois in 1985. In addition to reflecting such growth, the year was challenging and rewarding for this Agency and the industry it regulates. Further deregulation, competing forces in the financial services industry, the continued expansion of electronic banking services, and the activities by bank holding companies contribute to reshaping commercial banking as it serves the credit and depository needs of the citizens of Illinois.

As a result of your approval of legislation granting the Agency increased authority, an expanded budget and additional headcount, we will be in a better position to supervise, examine, and regulate the institutions under our jurisdiction for safety, soundness and compliance with Illinois laws as we move forward in the months ahead.

A review of 1985 Agency activities must include comment on the closure of two of our state chartered banks in 1985. In each case, a purchase and assumption transaction was arranged to provide for uninterrupted banking services within their respective communities and in neither instance did a depositor lose funds. These failures were the result of specific problems within the individual banks and do not reflect a condition indicative of the overall character of the banking system in Illinois.

We look forward to the challenges that lie ahead for us in 1986. Regional interstate banking, statewide intrastate bank holding company acquisition and merger authority, and an economy adjusting to new growth stimulus and change will present the Agency with the challenge to accommodate with new responses and performance.

We appreciate your continued support of our Agency's operations.

Respectfully yours,

William C. Harris
Commissioner
